

T.U.R.F. Funding for Research, Technicians and Education From 1997-2010

Research Technicians in Turfgrass Management Programs

Washington State University - Puyallup	\$139,103
Washington State University - Pullman	\$161,250
Oregon State University	\$188,000
Total	\$488,453

Research Projects

Projects funded between 1997 - 2006	\$273,579
Organic Fertilizer Effects on Turfgrass and Soil Systems	\$9,000
Poa Seed Head Suppression Project	\$16,000
Poa Annuua Fertility Trial	\$9,000
Poa Annuua Control with Low Rates of Glyphosate	\$2,000
Growth Regulator on Bentgrass Greens	\$3,000
Cultivation and Topdressing Effects on Recovery and Playability of a Bentgrass Golf Green	\$7,500
Total	\$320,079

Education

Environmental and Economic Impact Study	\$2,000
OSU Turfgrass Professor Endowment Fund	\$10,000
Outdoor Turfgrass Laboratory (Walla Walla CC)	\$6,000
WSU Online Learning for Turfgrass Management	\$15,250
First Green of Washington	\$10,000
National FFA Foundation (Turfgrass Management Program)	\$32,000
Total	\$75,250

Scholarships

Scholarship Funds for Univ. and Community College Students	\$18,500
--	----------

Total Funding for Research, Education, and Scholarship \$902,282
